**From the Pastor's Desk**

*"Joseph took the body, wrapped it in a clean linen cloth, and placed it in his own new tomb that he had cut out of the rock. He rolled a big stone in front of the entrance to the tomb and went away." Matthew 27:59-61*

This is the Lord's victory? This limp, dead body of Jesus is the body of a victor? His burial means a new fresh start? We cry out with shouts of victory as the tomb is closed and sealed? Go Messiah! Go King of Kings and Lord of Lords! Go dear Savior, the victory is ours? What kind of Savior, King, Lord would claim victory by dying?

There was no sound of victory on that Friday when Jesus died. There was crying and wailing, but they were not tears of joy. The disciples all ran for their lives. They were stunned by what had happened to the One they knew as Christ, the Son of the Living God. He was now the dead Son of the Living God. They were full of fear, like sheep without a shepherd. And now they come to the tomb. They see the burial as the end, a dead end. There is no way out.

On the cross Jesus was at battle with the our three biggest enemies of all time—sin, the power of the devil and death. The devil taunted Jesus through the words of those standing at the foot of the cross and those who hung beside him. Death swallowed him up as he hung there in extraordinary pain. And He was forsaken by His Father in heaven as the burden of the sins of the whole world were laid upon Him, as He literally became sin. And when he was overcome by death, it appeared that death had won, that our sin was too much, that the devil himself had become the victor for our souls.

So many in our world find this so foolish and would like to rid the world of us for rotting the minds of so many with this nonsense. It just doesn't make sense. How can such a final defeat mean victory for us? It is obvious that this man was all talk and no show. When the final hour came, he allowed His enemies to have their way with Him. He allowed them to torture Him, make fun of him, physically punish Him and finally nail Him to a cross to suffer a slow and agonizing death. Victor? Ha! There's something wrong with people who actually believe this stuff. They're fools.

The Greeks of Paul's day found much of what he wrote and said as foolishness. Such as *Where, O death is your victory! Where, O death is your sting! The sting of death is sin, and the power of sin is the law. But thanks be to God, who gives us the victory through our Lord Jesus Christ.* (I Corinthians 15:56-57) Just as the Greeks in Paul's day found Christians to be fools for believing in Christ's death as a victory, so do many in our world today find us who believe to be fools. *The man without the Spirit, does not accept the things that come from the Spirit of God, for they are foolishness to him, he doesn't understand them.* (I Corinthians 2:14)

Because of the work of the Holy Spirit revealing God's Truth to us through His Word, we know and believe that the trial, the suffering, the cross and his lying in the grave were only the beginning of His final redemptive lap toward the victory line. We know how the race

**Philosophy of Ministry**  
*Our primary goal is to bring lost souls into a personal relationship with Christ and strengthen the faithful in their relationship with Christ. We achieve this by education of all members in the true Word of God through worship, Christian education and day school. We believe that through education, spiritual growth will occur and membership in the kingdom will increase.*

ends. Jesus passes through death and the grave to resurrection and life everlasting. And we know that through faith in His victory over sin, death and Satan's power, we will be brought across the victory line through the resurrection to enjoy our eternal victory with Him. May all that Jesus has done for you, the laying down His life on the cross, His lying in the tomb and His resurrection from the dead bring you joy and peace as you look forward to crossing the finish line to celebrate your eternal victory with Him. A very blessed Easter to all of you!

## Maundy Thursday, Good Friday & Easter Services

The Maundy-Thursday communion services will be held at 11:30 am and 7:30 pm. A traditional Good Friday service will be held at 11:30 am. The 7:30 pm service will be held at the Center for the Arts (Fergus Theatre).

This year is the return of the Good Friday passion play. However, this contemplative service will not be held here at Trinity, but rather downtown at the Center for the Arts (Fergus Theatre). The senior youth decided to make this event an outreach to the community. The theater will provide the perfect space for the darkness needed for the play's shadow effects. Hymns will be sung, the organ will be played and what Jesus did for us that holy week will come alive on the stage.

There will be no tickets sold and no cost to anyone who attends. However, members of Trinity Lutheran Church are asked to bring their offering in their Good Friday offering envelope found in their offering envelope box. A free will offering will be taken at the door. Simply place your offering into the free will donation box. The money from the offering envelopes will go to our church's general fund as usual. Any money given over and above what is put in the offering envelopes will go to the youth to help cover the cost of renting the theater.

On Easter morning, we will offer a 6:30 am and a 9:00 am service. An Easter breakfast will be served all morning to help raise funds for our youth program here at Trinity. The final message in our "What's It All About?" series is "It's All About Life!". Easter Sunday is also the day when the "alleluias" are welcomed back into the worship experience. Come, remember and celebrate all God has done for us through the resurrection of Jesus Christ.

## Pulpit Exchange– Sundays in Lent

This year there are five circuit churches participating in a Sunday pulpit exchange on the Sundays in Lent. Pastors Tom Eaves from Barnesville, Ryan Drevlow from Breckenridge, Noel Herr from Friberg, and Craig Palach from Fergus Falls will be preaching here at Trinity during this pulpit exchange.

## Lenten Suppers

The LAMP team will be serving suppers prior to the Lenten evening worship services. Please come and enjoy menu items consisting of soup, spaghetti, hotdish, baked potato bar, tacos, lasagna, and sloppy joes. Free will donations will be used for the summer LAMP trip to Canada.

## Pastor Lange

Rejoicers in the Resurrection:

They are all around us and you can't tell them from the real thing. They look just like everybody else, but they're different. They are the "walking dead," alive as far as eating and drinking and breathing are concerned, but dead to God and therefore dead forever. Of course, unless something happens to change their relationship with their Creator.

They are outside of the church and inside of it as well and that's shocking! We like to think that anyone connected with any church is alive to God, but that is not the case. Unless their hope for salvation rests entirely on Jesus Christ— that is, their hope not only for the life to come but also for this life here and now, - they are among the "living dead."

How do you change such a situation? Do you change such a situation? Not really! In fact, not at all! Man cannot cope with spiritual things on his own because to him they just don't make sense. There is no way that anyone, by himself, is going to change the way he is by nature. Yet that doesn't mean that a change cannot take place.

Any changing in any human heart has to be done by God Himself. He created man in the beginning to worship and serve Him through serving each other. But that all changed with the fall into sin, changed for the worse, that is. Man found himself on the outs with his Maker. He no longer enjoyed that beautiful relationship he had earlier with God.

But Easter tells us that there is a way— through a Person. On that great and glorious first Easter morning, Jesus Christ should have been dead by all human standards, but He wasn't. He was, and is, alive. That proved He was who He said He was, the only Son of the almighty God. And that life gives us new life, through faith in Him.

So where do you come in? Right here, I hope! "Faith comes by hearing, and hearing by the Word of God." That's the only way. Absent yourself from the hearing of the Word, and you are asking for continued death. Stay away, and you weaken yourself. Just put it on the back burner in your life, and you push God even further out of your life.

That thwarts God's plan for you. That turns God off because you have turned off His Word to you. Oh, He still loves you; that will never quit. But you need to hear what He has to say to you, or the world will swallow you up. Can you honestly afford that? And Easter will only be the spring fling that the world has made it out to be.

So how can you get out of Easter everything that God put into it? Hear the Good News! Jesus is alive! He is risen! Believe it with all your heart! And then Easter can be for you what God intended it to be. How do you know? Turn to His Word and you will find the answer! Turn to Him to leave the "walking dead."

May the great news of Christ's resurrection bring new life to you.

## “Dress a Girl Around the World” Project Update

The ladies of the congregation have continued to keep their sewing machines humming and are turning out lovely dresses for girls around the world. WE HAVE REACHED OUR GOAL, and beyond of 100 DRESSES! We have 119 dresses completed so far. We thank the Lord for the generous contribution in time and materials that members have provided. Stop by the display in the narthex and see what great things the Lord has done through you, His people for His people!

Trinity will be presenting Charlie Kiersch from LCMS, World Relief and Human Care with all of the dresses for the girls around the world on April 10, 2011. Charlie will drop the dresses off at the Orphan Grain Train in Norfolk, Nebraska, and from there the dresses will be included in a shipment to Haiti. The Trinity Crafters are funding the purchase of metallic cross necklaces for the girls, which will be included with the dresses.

Thank you to all our members who are working so willingly and generously on these dresses which will surely be a delight to the hearts of young girls around the world.

## Time to Register for AWESOME Summer Programs at Lutheran Island Camp

Winter is gone and spring is here, for the most part. But it's also a time to start thinking about summer, summer camp at Lutheran Island Camp! Camp is a great place for children to get away from the clutter and distraction

in their lives and just be completely available to whatever God wants to do in their lives. Some studies show that a week at a Bible camp can be as influential in keeping children centered in their faith as a year in Sunday school. We believe that doing both makes them even stronger. When a child is at Lutheran Island Camp, God often speaks to them through worship, Bible study, and our staff. They learn about His creation, get to know other Christians, and have positive influences on their lives through the staff and volunteers whom God has put there to teach. Lutheran Island Camp is a great place to meet Christian friends who often can become life-long friends. At a time in our society's history when there are so many negative influences, having a place where young Christians can find each other and sustain each other provides a great opportunity for our churches to meet the needs of their youth. Many youth no longer do much in the way of outdoor activities. Some have called it a nature deficit disorder. They view the outdoors as a necessary evil to get from one indoor activity to another. Lutheran Island Camp is a setting that promotes God's created natural surroundings and celebrates the inter-relationship that we have with that creation.

When you come to Lutheran Island Camp, you will meet some of the nicest people! They include our executive director, our maintenance director and chief wrangler, our planning guy, our kitchen and housekeeping staff, our office staff and the best summer counselors, staff members, and volunteers in camping. Our senior staff has over 50 years in experience in outdoors ministry. Lutheran Island Camp has always been a resource for congregations and their youth programs. When children go to camp every year, they learn songs, games, and activities that can be used in a successful youth group.

Families have learned what a bargain Lutheran Island Camp can be for family vacations. The all-inclusive rates provide great meals, baby-sitting, excellent programs, group and family activities, as well as the gateway to some of the best antique shopping, fishing, and scenery in the state. And you get to do all that with fellow Christians who share your values.

Lutheran Island Camp provides a great place to have fun. Whether kids are coming for one of our Classic Camps, Splash Camps, or Discovery Camps, or they've decided to register for one of our experience camps like Horseback riding, Fishing, Servant Event, or Performing Arts camps, they will have fun with other Christian young people. When congregations send kids to camp, they make an investment in the future of their congregation and the church at large. Young people learn to witness and share their faith while having fun and developing great relationships with other kids in their congregation and other youth from around the state. At Lutheran Island Camp you: Swim, horseback ride, study God's Word, archery, sing, eat, kickball, volleyball, basketball, canoe, kayak, challenge course, fish, crafts, service projects, cook outside, flag raising, have devotions, hike, catch bugs (only if you want to) and minnows, see: turkeys, squirrels, rabbits, chipmunks, deer, raccoons, martens, bald eagles, song birds, geese, ducks, beaver, muskrats, Marvin, and other animals in their natural environments; play games, chase counselors, and so much more.

Why go to Lutheran Island Camp? God uses camp experiences to encourage, convict, break hearts, mend hearts, build relationships within the youth groups, send rest and peace and most of all just meet each camper at their point of greatest need. Going to Lutheran Island Camp is a great tradition to develop in a family or congregation. Learning the Island Camp song, playing capture the flag, devotions at the point, cook-outs, skit night, the birthday chair, counselor hunts, TAWG, FOB, and other events and activities are experiences that nearly 60,000 campers have experienced. So don't wait until all the snow has melted and the ground is dry. Plan your summer Lutheran Camp get-away today. Registration books are available on the table in the church narthex.

# PRESCHOOL NEWS

## Preschool Classroom News

The month of March focused on Jesus protecting us and providing us with senses to hear and see His word.

The first week of March was spent celebrating National Lutheran Schools Week. Special classroom activities included learning about various hats people wear and what the purpose of the hat might be, colors of the rainbow– identifying and locating, listening to directions from Simon Says as well as making and baking brownies! YUM!! The students also had the opportunity to visit the Scholastic Book Fair. The week wrapped up with fun summer activities in the gym on Friday, March 11th, with “Fun in the Sun” day. Enjoy the pictures that Stephanie and Adrienne Bolland have graciously provided below from the fun week!

Sue Heidorn  
Teacher/Director

I would like to thank everyone who helped out with the Scholastic Book Fair this year. It was a great success! The book fair rose over \$850.00 in sales. ## Something to think about...

Picture yourself returning home after attending church Easter Sunday. The music during the service was beautiful, the pastor's message clearly divided between Law and Gospel, and the church was full. Everything was wonderful. You even had a great hair day! As you pull into your driveway, you notice your next door neighbor doing yard work in her front yard. You know your neighbor is Christian, but you also know she hasn't been to church recently. As you step out of your car, imagine what you could say to your neighbor.

Let's pray that the Lord will help us witness the love of Jesus to those we meet.

## LWML Spring Rally—Fergus Falls Zone

April 26, 2011  
St. Johns in Barnesville, MN  
Registration— 9:00 am  
Opening Devotion— 9:30 am

Rev. Ryan Drevlow from Grace, Breckenridge, will lead us in the opening devotion and Rev. Tom Eaves from St. Johns, Barnesville, will lead us in a Bible study.

Trinity's very own David Schneeberger has been chosen as the guest speaker. He will tell us about the first two years of a five year commitment Trinity's Global Outreach Board has taken on. Taking the LAMP VBS program to the First Nation children of northern Canada has not only been very rewarding, but also a big challenge to all those who are involved. Let's all plan to attend the rally to show our support for those who are using their time, talents, and money to carry out this important and loving work and representing us among a people living in a desolate area where God's Word is seldom heard.

Please be at Trinity Church by 8:15 am on Tuesday, April 26th to share rides.

The closing devotion for the day will be lead by Rev. Hansen.

Dave spending personal time with the children during the 2010 LAMP Mission Trip.
