

## TO HELP YOU GROW

To quote P.T. Barnum: "More people are humbugged into believing too little than are humbugged into believing too much." For many people this is true of prayer, and even of God Himself. How often haven't we heard, "Your God is too small." Today we show you the greatness of our God, the only true God, on the basis of the Lord's Prayer, not all of it, but just the conclusion or doxology. There we affirm that THE KINGDOM, THE POWER, AND THE GLORY BELONG TO OUR GOD FOREVER IN HIS SON, JESUS, HE PROVES THAT THIS IS TRUE.

I. Nothing is too small or too \_\_\_\_\_ for our God.

- A. The entire \_\_\_\_\_ belongs to this God of ours.
- B. He has the \_\_\_\_\_ that no one or no thing can stop.
- C. He has the power to \_\_\_\_\_ our body.
- D. He even has the power to help our \_\_\_\_\_.

II. This doxology is also a \_\_\_\_\_ on our part.

- A. The kingdom of this \_\_\_\_\_ belongs to our God.
- B. God's power is \_\_\_\_\_ that anyone else's.
- C. The \_\_\_\_\_ actually display God's glory.
- D. This doxology is also a \_\_\_\_\_ to our Lord.

It is a great God that we have! In fact, He is not only the greatest, but the only God in the universe. Look to Him! Glorify Him with the words of your mouth and with your life and living! Remember what you pray: "For Thine is the kingdom, and the power, and the glory, forever and ever!"
